

**ASSEMBLY BILL**

**No. 2633**

**Introduced by Assembly Member Negrete McLeod**

February 24, 2006

---

An act to add Section 45266.5 to the Education Code, relating to school district employees.

LEGISLATIVE COUNSEL'S DIGEST

AB 2633, as introduced, Negrete McLeod. Schools: district employees

(1) Existing law requires school districts and community college districts adopting the merit system in existing law for classified employees to appoint a personnel commission. Existing law requires the personnel commission to appoint a personnel director of the commission who is responsible to the commission for carrying out all procedures in the administration of the classified personnel in accordance with the requirements of existing law and rules of the commission.

This bill would require the personnel commission to make an annual performance evaluation of the personnel director, thus imposing a state-mandated local program. The bill would authorize a classified employee to make biannual performance evaluations of the personnel director.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state,

reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1     SECTION 1. Section 45266.5 is added to the Education  
2     Code, to read:

5     (b) A classified employee may make regular, biannual  
6     performance evaluations of the personnel director of the district  
7     in which the classified employee is employed.  
8     SEC. 2. If the Commission on State Mandates determines that  
9     this act contains costs mandated by the state, reimbursement to  
10    local agencies and school districts for those costs shall be made  
11    pursuant to Part 7 (commencing with Section 17500) of Division  
12    4 of Title 2 of the Government Code.
